

## WRN Broadcast

**We are WRN Broadcast – one of the world's leading managed services and international distribution companies. We've been enabling broadcasters and media owners to deliver their content to audiences worldwide from our London Media Centre, since the early 90's.**

We offer tailored and cost-effective solutions to some of the world's leading broadcast companies, through our state-of-the-art facilities and equipment, intelligent use of the latest technology and over 20 years' experience of meeting and exceeding our clients' needs around the world.

We provide end-to-end, premium solutions for:

- ✓ Content Management
- ✓ Archiving and Storage
- ✓ SD, HD and 3D playback
- ✓ Data Centre solutions
- ✓ Fibre and Satellite Distribution
- ✓ State-of-the-art Media Village

The WRN Broadcast ethos is simple – the customer is at the centre of everything we do. Choose WRN Broadcast as your managed services and distribution partner to guarantee:

- World class, results-driven customer service
- A commitment to quality
- Industry-leading technology
- Dedicated, purpose-built broadcast facilities and secure data service capabilities

- Technical expertise and 24/7 support services
- A bespoke solution – tailored to your individual requirements
- End-to-end solutions – from ingest to content management to distribution
- A track record of reliability
- A rapid and flexible approach
- An ability to offer innovative solutions on time and to budget

**WRN Broadcast – your global managed services provider**
